

# *The Hay-Adams*

## *Audio Visual Wedding Packages*

Swank Audio Visuals is the exclusive audio visual and lighting services provider for The Hay Adams and offers a number of packages designed for rehearsal dinners, wedding ceremonies and receptions. The following is a sample of our most popular packages. A Swank representative will work closely with you to design a package that is exactly what you want and meets your budgetary requirements, while at the same time delivering a spectacular experience for you, your family, friends and guests.

## *Images and Memories*

Take a walk down memory lane with this visual package. Your Images & Memories Package can include an LCD projector, projection screen, DVD player, laptop or plasma monitors based upon your event needs.

**Projection Package** ..... \$800  
Includes LCD projector, 7' - 8' skirted tripod screen and DVD player or laptop connection.

**Video Display Package** ..... \$600  
Includes 50" plasma display and DVD player or laptop connection.

## *Sound Advice*

Take some sound advice and ensure that every important word is heard on your special day. Sound Advice Packages can include loudspeakers, wireless microphones, CD players and audio mixers.

**Ceremony Audio Package** ..... \$450  
Includes a wireless lavalier microphone for the officiant and a hand-held microphone with a stand for your readers.

**Reception Audio Package** ..... \$300  
Includes a wireless hand-held microphone perfect for toasts, speeches and announcements.

## *Illuminations*

Add an elegant touch to your special day by highlighting centerpieces, floral designs, your wedding cake and the bridal table. Your Illuminations Package can offer pin-spots, lit gobo designs, color-changing LED lights and specialty lighting fixtures.

**Perimeter Uplighting Package** ..... \$1,500

Enhance the ambiance of the room by adding colorful lighting in any hue. Package includes 20 LED uplights placed around the perimeter of the room.

**Pin-Spot Lighting Package** ..... \$1,500 - \$2,500

Add elegance to your room by highlighting each of your table centerpieces and cake table.

**Complete Lighting Package** ..... \$1,500 - \$4,000

Combine both LED uplighting and pin-spotting to transform your wedding into an unforgettable scene.

We look forward to working with you so that every detail of your wedding day is handled just perfectly. Our promise is to make sure everyone can see and hear all the special touches you have carefully planned and prepared. Plus, we have the equipment right here on-site at the Hotel, so if you have a last-minute change or need, we can handle it easily! Our email address and phone number are shown below ... we look forward to meeting you.
